SHE may usually face the crowd while performing and wowing audiences with her country twang,

however, it's Dervla Burke's derrière that hit the headlines this week.

The singer managed to make it to the top of the bots this week, being listed as having the fifth 'loveli-

est bottom' in the country.

The folks at **Dublin Fashion Festival** carried out a survey this week asking shoppers about their posterior ponderings.

Dervla battled against the renowned rumps of The Saturdays singer, Una Healy, model Georgia Salpa, TV presenter Gráinne Seoige and actress Amy Huberman.

Young Dervla, who spent months sitting on her bottom at Crystal Swing HQ in Midleton, studying for her Leaving Cert earlier this year, will be modelling at the Jervis Shopping Centre on Saturday, 10 September as part of the **Dublin Fashion Festival** Fashion Show.
