

I'm happy to be lads mag cover girl – MTV's Laura

BRAY girl Laura is Whitmore is on the cover of this month's lads' magazine FHM – but won't be following Rosanna Davison onto the pages of Playboy.

"I don't think of myself that way. I'm a presenter, so I only do these shoots as a personality. But I saw Daisy Lowe's shoot for Playboy and that was really gorgeous. I don't think I really could do that," says the MTV presenter.

In this month's FHM spread, Laura is posing in black hotpants, a white tee-shirt and black knee socks.

The 26-year-old said she only agreed to do the shoot as long as she could keep her clothes on.

The TV host made the comments while DJ-ing at the launch of the **Dublin Fashion Festival**
