

## FASHIONABLE CAREER IN THE MAKING

Stylish Yvette Byrne, a fashion graduate from Griffith College, Dublin, this year, carried off the Best Dressed Lady title at the recent Dublin Horse Show, in her own creation, combining Parisian lace and curtain material from Hickeys in an eye-catching dress.

The 23-year-old, from Ardattin, Co Carlow, did the BA (Hons) in fashion design, which is offered over three years at both a Level 7 and Level 8, and is available both via the CAO and through direct entry. Yvette is now preparing for **Dublin Fashion Week** in September.

The fashion design course offers training in the most up-to-date computer-aided design (CAD) and manufacturing (CAM) software and has strong links with the industry and internship placement opportunities at Avoca and Louis Copeland.
