

Pssst...

■ *THIS is the kind of service that people can really benefit from at this time of year — Shop and Drop has been set up by Dublin Bus and An Post to help take the hassle out of Christmas shopping. There is nothing worse than going into the city centre in Dublin for the day to buy all your presents and then having to make numerous trips back to your car to drop off heavy bags. Now you can take a load off on the third floor of St. Stephen's Green Shopping Centre or the GPO Arcade on Henry Street. You can drop off your bags at these spots, free of charge, to be collected at your leisure. Until December 19, see dublinatchristmas.ie*
